Friday 15th July, 2016

Dear Parents / Carers,

End of term arrangements – Thursday 21st July 2016

On behalf of the staff and governors I would like to thank you all for your continued support over the past year. It has been yet another busy year as a quick trawl through our Facebook pages show. It ends on a huge high with our Grease performance, Sports Day (fingers crossed for the weather on Monday) and of course the excellent progress with the new site.

When we return in September, the whole steel frame should be complete and the floors will be going in. As you can imagine, we cannot wait to be teaching your children in this amazing new facility.

In September we add another 82 students and will have all year groups from 7 to 11 with almost 400 students in total. The following September our sixth form will be open and our numbers will start to grow towards our final capacity of 600.

On the last day, we will be finishing at 1:40pm. Weather dependent, the morning will involve the annual staff vs. students cricket and rounders matches which all students will watch. Lunch will be a little longer than usual; starting at 12:45, and school transport will then leave at 1:40pm. Parents are welcome to collect students from school at that time should they wish, but please let reception know if you will be doing this. The Wing/Whitchurch/Oving minibus (Mark's bus) will leave at around 1.10pm to allow it time to get back for 1.40pm for the second bus route. Don't worry though, we will remind the students.

We are looking forward to our Sports Day at Stowe School this coming Monday and are hoping for great weather! Refreshments will be on sale throughout the day, with a BBQ at lunchtime. Hope to see you there!

I would like to take the opportunity of wishing you a very relaxing summer and look forward to seeing all of the students once school re-opens to them on Monday 5th September.

Yours sincerely

Darren J Lyon
Headmaster
