Why choose the EPQ?

The Extended Project Qualification (EPQ) is a stand-alone Level 3 qualification. It allows students to extend their abilities beyond the A Level syllabus and prepare for university or their future career. It is worth half an A Level (28 UCAS points) so can be used to earn extra UCAS points.

What does the course involve?

Students are required, with appropriate supervision, to:

- choose an area of interest
- draft a title and aims of the project for formal approval by the Centre
- plan, research and carry out the project
- deliver a presentation to a non-specialist audience
- provide evidence of all stages of project development and production for assessment.

All candidates are required to meet the following Assessment Objectives. The Assessment Objectives are weighted as indicated below:

Where will the EPQ lead me post Sixth Form?

The EPQ is a highly regarded 'facilitating subject'. As such it is considered to be a very strong foundation for study at university on degree courses and an increasing number of universities are including the EPQ in their offers to students.
